4 — THE HONEST SUMMARY (read before you sign)

Starting is free, and leaving is free. When you sign at the bottom, you accept your seat as a TEAM MEMBER — officially in, and ready to be your own boss from here: your seat, your work, your own business, your own clients. The last step we take together (in person or live video): the full explanation, the terms in full, and your house-issued code — that is when your registration counts. No income is promised. The cap stands at 2,500.

5 — SIGN AT THE BOTTOM

☐ Everything I wrote is true, and I read the summary above.
