WHAT IS THE PLAIN TRUTH?

Read this. It takes two minutes. No one has to explain it to you.

IN ONE LINE

It is a table where people get paid for the thing they are best at — and stay their own boss.

WHAT IT IS

The Plain Truth LLC is a company that brings people together around one table.

Each person brings the thing they are best at. One sings. One fixes cars. One cooks. One drives. One keeps books. One runs a small business of their own.

The company finds real work for those gifts. The members do the work. Everybody sees the numbers.

It is not a normal business. It is a way of working: people use their skills — and smart tools, including AI — to make money in the area they know best.

HOW MONEY MOVES

Real work brings money in. Then it moves in this order, every time:

1. **Wages are paid in full, first.**
2. A part is saved, so the house stands strong.
3. A part is shared among the people who did the work, by the hours they worked.
4. What is left stays in the company. The owner takes a small, fixed share — last, and in the open.

Nobody is paid for bringing people in. Nobody takes a hidden cut. Ever.

WHAT IT COSTS

Nothing. It is free to start, and free to leave. Nothing is sold at the door. Your money is never asked for.

HOW YOU START — EASY STEPS

1. Sign up on the website, or send the quick email.
2. An application comes to you, the way you chose — email, text, or WhatsApp.
3. Fill it in. Tick your seat. Sign at the bottom.

You are now a team member — your own boss, at your own seat. The last step we take together, in person or on live video: the full explanation, and your house code.

WHAT IT IS NOT

- **Not a job.** You are your own boss. Your own business and your own clients stay yours.
- **Not recruiting.** No one earns money because you started.
- **Not an investment.** Nobody will ever ask you to put money in.
- **Not a promise.** No income is promised to anyone. What is offered is a seat, real work, and open numbers.

ONE MORE NUMBER

Registration stops at **2,500 members**. When the table is full, the gate closes. The number can rise only if every member agrees to raise it.

No one loses. Start today. We grow together as one.
